I'm loathe to do it, but for one last time, lets clear up a few things about the weirdo that is skepticat/Maria Machlachlan.

She was an racist before she got into hating trans people, she used being a humanist to attack religion, but only certain 'foreign' ones.

1/?

Nobody is disputing her phone was knocked out of her hand, I fail to see why she thinks this is a gotcha.

If you try to film me when I dont want to be filmed I'll slap it out of your hand too, so would just about everyone, it's anti-social behaviour and not acceptable.

2/?

It really is the worst most pathetic snide passive-aggressive bullshit to abuse people all day long before the event, AND at the event, then pretend you expect to be able to film them.

This is agitating anti-social weirdo shit turned up to 11.

Which was noted by the judge.

3/?

Maria has never stopped banging on about this, I made a video at the 2-year anniversary because she has been dining out on it ever since, and drags it up constantly as do her 'gang', and as always I get piled on, so I made a two minute video to spam the pile-on.

4/?

She claims her motivations are replying to other people who are obsessed with her, honestly, nobody gives a shit, she is a nobody who is elevated when it suits the cranks. She has a propaganda site with more than half a dozen articles about me, and many libellous claims.

5/?

So to recap on the bullshit.....

This was the transphobic shit-show Maria was going to on that day...

6/?

This is Maria's latest video, starring yours truly.

I am happy to share, it shows her batshit lunacy and desperate attempt to reverse-engineer a different narrative. And totally unaware she is literally spelling out what a massive bigot she is.

7/?

I could never really get into twitter, I mostly exclusively used facebook until that day. If the cranks hadnt tried to spread lies I would never have joined twitter to make the thread that Maria is cry-arsing about

Without Maria being a crank, I would not be on twitter now.

8/?

So every crank and anti-social weirdo who has turned up to give me shit and bicker with me, and go cry-arsing about me and whinging about the mad, bad, TRA.....

Remember to thank Maria.... without her intervention I would be posting cat gifs on facebook.

Cheers Maria.
